Purchase order no.: (compulsory)

# **YOUR ORDER**

If you would like to renew your order for the same samples/rounds as per previous year, please tick this box:

We will copy over the samples/rounds purchased by you in the previous year and send you an order confirmation for your review. If you would like to add any other samples to your order, please mark them accordingly on the subsequent pages.

If you would prefer to place a different/new order for this scheme year, please review the samples available on subsequent pages and indicate the number of samples required for each sample/round accordingly.

# SCHEDULE OVERVIEW

| Month | Round | Despatch Date | Reporting Deadline | Samples Available                                     |
|-------|-------|---------------|--------------------|---|
| FEB   | WT346 | 10 Feb 2025   | 17 Mar 2025        | 412, 413, 417, 418, 420, 422, 434                     |
| MAR   | WT347 | 10 Mar 2025   | 14 Apr 2025        | 412, 413, 414, 416, 419, 421, 423, 426, 427           |
| APR   | WT348 | 07 Apr 2025   | 12 May 2025        | 412, 413, 425, 429, 432, 435, 436                     |
| MAY   | WT349 | 12 May 2025   | 16 Jun 2025        | 412, 413, 414, 416, 419, 421, 424, 433                |
| JUN   | WT350 | 16 Jun 2025   | 21 Jul 2025        | 412, 413, 417, 418, 423                               |
| JUL   | WT351 | 14 Jul 2025   | 18 Aug 2025        | 412, 413, 414, 416, 419, 421                          |
| SEP   | WT353 | 08 Sep 2025   | 13 Oct 2025        | 412, 413, 417, 418, 424, 427                          |
| ОСТ   | WT354 | 06 Oct 2025   | 10 Nov 2025        | 412, 413, 414, 416, 419, 420, 421, 422, 423, 431, 434 |
| NOV   | WT355 | 10 Nov 2025   | 15 Dec 2025        | 412, 413, 425   |
| DEC   | WT356 | 08 Dec 2025   | 26 Jan 2026        | 412, 413, 417, 418                                    |

Please ensure that LGC receive your order as soon as possible in order to avoid stock shortages. Please note that orders received the week prior to the despatch date may be subject to a despatch delay.

The despatch date shown above is the date the sample will leave our site in the UK. Please note, this is not the date the samples will arrive at your laboratory. Delivery times vary based on country, if you require further information, please contact LGC.

## SAMPLE AVAILABILITY – PLEASE SEE PAGE 1 FOR SPECIFIC DESPATCH AND REPORTING DATES

Please indicate the number of samples required per round in the grid. If you require a sample in all available rounds, please complete the All Rounds column.

**Please note:** Where a footnote symbol (\* | # | ^ | † ) appears in a column, the footnote description text may appear at the end of a table that may span across multiple pages. Please scroll to the end of the table for these details.

#### Existing customers

If you would like to change your marketing preferences, please visit our preference centre or contact axiopt@lgcgroup.com

#### New customers

LGC would like to contact you by email, phone or post about its products, services and related areas or research. LGC does not sell contact details to external parties. You may unsubscribe at any time.

Yes, I am happy to be contacted about LGC's products, services and research

No, I do not require marketing information about LGC's products and services at this time

By submitting this application form, you are agreeing to comply by LGC's Standard Terms and Conditions for the Supply of Laboratory Quality Products and Services and are agreeing that you have read and agree to the 'General Notes' at the end of this document.

Name

Date

# **REPEAT/ADDITIONAL SAMPLES PRICES**

Repeat and duplicate samples will be charged at 50% of the main sample cost. Please contact LGC for a quotation.

# CARRIAGE CHARGES

Participants will pay an additional fee to cover courier charges. Please contact LGC AXIO Proficiency Testing for up-to-date charges.

# CHANGES AND OTHER SCHEMES/SAMPLES OF INTEREST

### <u>CHANGES</u>

We have introduced a number of new samples as follows:

- Sample PT-WT-432 (Microorganisms in Effluent sludge). This sample is available in round WT348 (April 2025)
- Sample PT-WT-433 (Endoscope water). This sample is available in round WT349 (May 2025)
- Sample PT-WT-434 (Detection of Salmonella in water (all types)). This sample is available in round WT346 (February 2025) and WT354 (October 2025)
- Sample PT-WT-435 (Microorganisms in Surface/Waste/recreational). This sample is available in round WT348 (April 2025)
- Sample PT-WT-436 (Somatic Coliphages (φX174) in Wastewater). This sample is available in round WT348 (April 2025)

We have added a number of new analytes as follows:

- Enumeration of Enterobacteriacae added to PT-WT-416 (Detection of Salmonella in Effluent sludge)
- Identification of *Legionella pneumophila* added to PT-WT-423 (Legionella in Potable Water)

#### **OTHER SCHEMES/SAMPLES OF INTEREST**

We have a number of other Water and Environment schemes available which may be of interest to you. Further details can be found on our Water and Environment schemes web page.

## GENERAL NOTES

Please note:

- All prices stated are exclusive of VAT and carriage charges.
- VAT (charged at the prevailing rate) is payable by all participants based in the UK.
- Participants will pay an additional fee to cover courier charges. Please contact LGC AXIO Proficiency Testing for up-to-date charges (where not specified previously in the application form).
- All courier charges set by LGC AXIO Proficiency Testing do not include local import charges, taxes (etc.), which will be covered by the participant.
- Do not send remittance with this form, you will be invoiced subsequently after the despatch of each round.
- No refunds will be given for failure to take part in any round of the PT scheme.
- LGC AXIO Proficiency Testing reserves the right to not send samples or the report for previous samples to any participant that has not paid their subscriptions within the terms stated on the invoice.
- LGC AXIO Proficiency Testing cannot guarantee the number of participants that will return results for any particular parameter in each round.
- The prices stated are for reporting results and receiving reports electronically via PORTAL (internet reporting).
- Surplus PT samples (Quality Control Material) are available; please contact LGC AXIO Proficiency Testing for further information.

 By submitting this application form, you are agreeing to comply by LGC's Standard Terms and Conditions for the Supply of Laboratory Quality Products and Services. Furthermore, for test samples containing microorganisms with a bio safety level (BSL) of 1 or 2, you are confirming that you are complying with applicable laws and regulations when using such materials.
